HISTORY OF OKLAHOMA STATE UNIVERSITY

The story of Oklahoma State University began on Christmas Eve, 1890, at the McKennon Opera House in Oklahoma's territorial capital of Guthrie when Territorial Governor George W. Steele signed legislation establishing an Oklahoma Agricultural and Mechanical College (OAMC) in Payne County. OAMC's first students assembled for class on December 14, 1891, even though there were no buildings, no books, and no curriculum. The college's first students attended classes in the Stillwater Congregational Church. The original campus consisted of 200 acres of prairie that were donated by four local homesteaders. The college's first six graduates received their diplomas in 1896.

Visitors to the OSU campus marvel at its beauty and consistency of architecture. Much of the credit goes to legendary president, Henry G. Bennett, who served from 1928-1951. Dr. Bennett's 25-year campus master plan envisioned some of the university's most famous and beautiful structures, including the Edmon Low Library and the Student Union. A new campus master plan is guiding unprecedented construction that is making OSU more competitive in academics and athletics. Since the fall of 2008, OSU has opened the Multimodal Transportation Terminal, the North Classroom Building, the west end zone of Boone Pickens Stadium, refurbished Old Central, the Donald W. Reynolds Architecture Building, upgraded Murray Hall, the Henry Bellmon Research Center, an updated and expanded Student Union, the Sherman Smith Training Center, the Postal Plaza Gallery, the Greenwood Tennis Center, and a new information technology center. Several other major projects are in the works. Hall of Fame Avenue on the north and University Avenue on the south, as well as core north-south artery Monroe Street, have all been significantly upgraded, and the university continues to update its campus landscape plan.

OSU grew quite rapidly following World War II. The post-war years were marked by a huge enrollment surge. Some graduates from that era may remember "Veteran's Village," a thriving community that developed on the northwest edge of campus as veterans and their families moved into surplus military housing provided by the college. The mid-1940s also were a golden era for athletics at Oklahoma A&M. In a 90-day period in early 1945, OAMC teams won the Cotton Bowl, the NCAA championship in wrestling, and the NCAA championship in basketball. The next year, the wrestling and basketball teams repeated as national champions, and the football team won the Sugar Bowl. OSU's success continues today across both men's and women's athletics. The school has won 51 NCAA championships to rank fourth in the country and tops in the Big 12 Conference.

People often ask when OSU made the transition from college to university. By the 1950s the college had grown substantially. Suggested names for a "new" institution were "Great Plains University," "International University," and "Atomic University." In 1957, OAMC became The Oklahoma State University for Agriculture and Applied Science. During the next three decades, OSU would build academic programs to match its new status. Enrollment more than doubled from 10,385 in 1957 to more than 23,000 in the 1980s. OSU became a statewide university system, adding branches in Okmulgee in 1946 and Oklahoma City in 1961. OSU merged with the Oklahoma College of Osteopathic Medicine in 1988, and OSU-Tulsa was born in 1999.

Today, OSU has more than 36,000 students across five campuses and a presence in every Oklahoma county through its extension offices and experiment stations. From six graduates in 1896, to nearly 5,000 annually today, the small college on the prairie has grown and prospered far beyond the dreams of its founders. OSU teaching, research and graduates are making a bigger impact on the lives of people around the world than ever before. It's a great time to be a Cowboy!

MESSAGE FROM THE PRESIDENT

This is a momentous day on the beautiful campus of Oklahoma State University.

As an Oklahoma State University graduate, you join a long list of successful men and women who have gone before you. For decades, OSU graduates have used their creativity and passion to make an impact on our world. In fact, *Branding Success* is the name of our current fundraising campaign. We know each one of you is prepared to boldly go forward and find your own success.

We are honored to welcome all the family and friends that are here to join in this wonderful and meaningful accomplishment. We are thankful your graduate chose OSU. You should be extremely proud of the role you played in his or her success.

The entire OSU community – faculty, staff, alumni and donors – takes special pride in watching our students walk across the stage. This is the day that makes all our work worthwhile. OSU exists to help our students pursue their dreams and today we all rejoice!

Congratulations. Best wishes. Go Pokes!

Sincerely,

A handwritten signature in black ink that reads "V. Burns Hargis". The signature is written in a cursive, flowing style.

Oklahoma

Written by Oscar Hammerstein II

Music by Richard Rodgers

Oklahoma, where the wind comes sweepin' down the plain,
And the wavin' wheat can sure smell sweet
When the wind comes right behind the rain.
Oklahoma, ev'ry night my honey lamb and I
Sit alone and talk and watch a hawk makin' lazy circles in the sky
We know we belong to the land
And the land we belong to is grand!
And when we say -*Yeeow! A-yip-i-o-ee-ay!*
We're only sayin' You're doin' fine, Oklahoma!
Oklahoma - O.K.

HONORARY DEGREE RECIPIENT AND COMMENCEMENT SPEAKER

**Vice Admiral Sean A. Pybus,
Deputy Commander
United States Special Operations Command
Honorary Doctor of Laws**

Vice Admiral Sean A. Pybus is the Deputy Commander of the United States Special Operations Command (USSOCOM), MacDill Air Force Base, Florida. USSOCOM ensures the readiness of joint special operations forces and, as directed, conducts operations worldwide.

Vice Admiral Sean A. Pybus is a career Naval Special Warfare (NSW) SEAL officer with multiple Joint Special Operations duty assignments.

He graduated from the University of Rochester in 1979 with a Bachelor of Arts in Economics and earned a regular Navy commission through NROTC. He graduated Basic Underwater Demolition/Seal (BUD/S) training in December 1979, with Class 105.

Vice Admiral Pybus has served in SEAL, Underwater Demolition, Special Boat, and SEAL Delivery Vehicle tours within NSW, and has held positions at Joint Special Operations Command and United States Special Operations Command. Command tours include units in Panama, Germany and Bahrain, as well as duty as Commodore, NSWG-1, San Diego. As a flag officer, he has served as J-3, USSOCOM, 2007-2009; Commander, Special Operations Command Pacific, Camp H.M. Smith, Hawaii, 2009-2011; Commander, Naval Special Warfare Command in Coronado, California, 2011-2013; and Commander, NATO SOF Headquarters, Mons, Belgium, 2013-2014. He is currently the Deputy Commander, USSOCOM, MacDill AFB, FL.

He has participated in special operations in Latin America, Europe, Africa and Asia.

Decorations include the Distinguished Service Medal (1), Defense Superior Service Medal (3), Legion of Merit (2), Meritorious Service Medal (3), and various other awards. He is also a 1998 Distinguished Graduate of the Naval War College with a Master's Degree in Strategic Studies.

HONORARY DEGREE RECIPIENT

Mr. L.E. “Dean” Stringer - Honorary Doctor of Humane Letters

Mr. L.E. “Dean” Stringer has numerous accomplishments within his field and at OSU. He graduated with a B.A. in Political Science from OSU in 1958 and went on to Harvard Law School where he received his LL.B. He formerly worked at Crowe & Dunlevy where he was the Chairman of the Board (1999-2000); Chairman of the Litigation Department (1987-2000); President (1979-1981) and Member of the Executive Committee (1975-1981, 1986-1988).

What is so impressive about Mr. Stringer is his willingness to make the time for a number of volunteer organizations, and most importantly for giving back to OSU.

Mr. Stringer was appointed as a Member of the Board of Regents for the Oklahoma State University and A&M Colleges (1986-1994), as Vice-Chairman (1989-1990) and Chairman (1990-1991). Mr. Stringer took his role as Member of the Board extremely serious, becoming known as the inquisitor for asking questions during each meeting. He was known to make tough decisions and to stand in the minority when he disagreed. Among the highlights during his tenure were the increased library funding he pushed for, the creation of the Regents Distinguished Teaching Award and the campaign to raise scholarship funds.

Beyond serving in distinguished positions within Crowe & Dunlevy, Mr. Stringer is an active representative of the law within the state. He has served as President of the Young Lawyers Conference of Oklahoma County (1965); Treasurer of the Oklahoma Bar Association (1967); President of the Lawyers Club of Oklahoma City (1979), Vice-President of the Oklahoma Association of Defense Counsel (1979-1980); Fellow of the Defense Research Institute; Fellow of the Oklahoma Bar Association; Fellow of the American Bar Association; Member of the Advisory Research Committee and Fellow of the American Bar Foundation (1996-present).

His service to OSU is also most impressive. Mr. Stringer served as Chair, Board of Directors of the Oklahoma State University Alumni Association (1972-1973); Trustee and Governor of the Oklahoma State University Foundation (1981-1982); Chairman of the Oklahoma State University Foundation (1982-1985); and Director of the Oklahoma State University’s Friends of the Library (1994-present).

Given his success, the OSU Alumni Association, the College of Arts and Sciences and the Department of Political Science have all honored him. He received the Oklahoma State University Distinguished Alumnus Award in 1979; the College of Arts and Sciences Distinguished Alumni Award in 1994; and the Department of Political Science Outstanding Alumni Award in 1994. He was honored at L.E. “Dean” Stringer Day (March 23, 1994) by the Student Government Association of OSU. In 1998, Mr. Stringer was inducted into the OSU Alumni Association Hall of Fame.

The list of fall 2014 degree candidates was prepared before final grades were reported, and inclusion herein does not constitute evidence of graduation. Final action to ensure an accurate listing of names of all persons qualified for degrees could not be compiled before this program went to print. The listing of a name in this program should not be construed as an indication that the person will in fact receive a fall 2014 degree from Oklahoma State University at this commencement. Conversely, the absence of a student's name from this list does not necessarily mean the person will not be awarded a degree. Final certification of degree and academic distinction will be made by the Colleges and the Registrar after candidates have completed all degree requirements.

GRADUATION WITH DISTINCTION

The following final grade-point-average distinctions are determined at degree completion and will appear on undergraduate diplomas and transcripts:

Summa cum laude	3.90-4.00
Magna cum laude	3.80-3.89
Cum laude	3.70-3.79

Degree Abbreviations:

BA	Bachelor of Arts
BAR	Bachelor of Architecture
BEN	Bachelor of Engineering
BFA	Bachelor of Fine Arts
BLA	Bachelor of Landscape Architecture
BM	Bachelor of Music
BS	Bachelor of Science
BSAE	Bachelor of Science in Aerospace Engineering
BSAG	Bachelor of Science in Agricultural Sciences and Natural Resources
BSBA	Bachelor of Science in Business Administration
BSBE	Bachelor of Science in Biosystems Engineering
BSCH	Bachelor of Science in Chemical Engineering
BSCV	Bachelor of Science in Civil Engineering
BSCP	Bachelor of Science in Computer Engineering
BSEE	Bachelor of Science in Electrical Engineering
BSET	Bachelor of Science in Engineering Technology
BHS	Bachelor of Science in Human Sciences
BSIE	Bachelor of Science in Industrial Engineering and Management
BSME	Bachelor of Science in Mechanical Engineering
BUS	Bachelor of University Studies
DVM	Doctor of Veterinary Medicine
MA	Master of Arts
MAG	Master of Agriculture
MAT	Master of Athletic Training
MBA	Master of Business Administration
MFA	Master of Fine Arts
MM	Master of Music
MS	Master of Science
EdS	Specialist in Education
EdD	Doctor of Education
PhD	Doctor of Philosophy

Additional Spring 2014 Degree Recipients

OSU spring and summer degree candidates are invited to participate in the OSU spring commencement ceremony, and their names are listed in the spring commencement book. However, because the spring commencement book goes to print shortly after April 1, it is not possible to include candidates who apply for graduation after that date. This section recognizes these degree recipients, some of whom will participate in today's ceremony.

ACADEMIC REGALIA

The robes, hats and hoods worn by faculty members and graduates as they march into the commencement hall, and even the different colors you see on them, have historical origins and significance.

During the Middle Ages, scholars at the earliest English and European universities wore wool or fur garments to stay warm in the drafty, stone buildings that were poorly heated. Most of the scholars were also monks or priests, and as such had the hair shaved from the crowns of their heads in the distinctive clerical tonsure. Most wore cloaks that included a hood that could be pulled up to keep their heads warm. The academic gowns and hoods were adapted from both secular and clerical garments of the time, and the hood was chosen by the early scholars to indicate by color, trim or binding the degree held by the wearer.

The style of academic dress most frequently worn in the United States dates back to colonial times, although it was not formally adopted until near the end of the 19th Century, when it was chosen as appropriate attire by the Intercollegiate Commission during a meeting in New York. It has remained the general standard in America since, although some variations occur at individual institutions. In the United States, black is the traditional color for academic gowns, although some institutions allow holders of doctoral degrees to wear robes in the university's colors.

The sleeves of the robes vary, depending on the degree held by the wearer. The bachelor's robe has long, pointed sleeves. The master's robe has sleeves that are oblong and closed at the ends, with slits through which the arms may be extended. The doctoral robe has a full sleeve with a velvet facing on the front and at the neck, and three velvet bars on each sleeve. The velvet may be black or of a color that symbolizes the degree held by the wearer.

The head covering most commonly used in the United States is the square, tasseled "mortarboard." Some American universities, however, use berets, and in other countries a variety of styles of head coverings is worn with academic regalia. The tassel is usually black and is worn over the left front quarter of the mortarboard. Holders of doctoral degrees may wear gold tassels.

The hood is the most distinctive feature of American academic dress, which through color and design may indicate the wearer's degree and the institution at which that degree was earned. Hoods are lined with the colors of the institution that awards the degree, and may be faced with the color designating the degree awarded. Hoods vary in length. The bachelor's hood is about three feet long, the master's slightly longer and the doctoral version is longer still and is decorated with broad color panels.

Candidates for advanced or professional degrees wear hoods symbolic of the degree. The color of the trim of the hood and the sleeve chevrons and panels of the academic gown are distinctive of the degree as follows:

Degree:	Gown:	Hood:
Doctor of Philosophy	Black Velvet Panels	Blue Velvet Collar and Sleeve Chevrons
Doctor of Education	Light Blue Velvet	Light Blue Collar Panels and Sleeve Chevrons
Doctor of Osteopathic Medicine	Kelly Green Velvet	Kelly Green Velvet Collar Panels and Sleeve Chevrons
Doctor of Veterinary Medicine	Steel Gray Panels	Steel Gray Collar and Sleeve Chevrons
Master of Arts	White Collar	
Master of Science	Golden Yellow Collar	

The colors of Oklahoma State University are embodied in the lining of the hood (orange and black chevron). The colors of the hoods of faculty and guests are those of the institution conferring the degree.

In addition to the academic regalia described above, some students wear cords, sashes, ribbons, and other symbols of heritage or achievement in academics, service, and leadership.

Portions of the proceeding were adapted from the commencement program of the University of Arkansas at Little Rock.
